Permit Information

Permittee Name: Pacificorp

Mailing Address: Pacificorp Currant Creek Power Plant
2096 West 300 North
Mona, UT 84645

Facility Location: 1 Mile West of Mona, UT

Groundwater Discharge Permit No.UGW230003 is being renewed for the existing Currant Creek Power Plant (CCPP) owned by PacifiCorp. The plant is situated on 240 acres located 1 mile west of Mona, Juab County, Utah. CCPP is a natural gas-fired power plant with integrated transmission facilities. CCPP employs state-of-the-art technology, including F-class high efficiency combustion turbines operated in combined-cycle mode. CCPP also employs dry cooling technology for steam condensing. CCPP uses one pond to evaporate water and does not discharge any process water directly onto or into the ground. The pond has a double synthetic liner configuration with a leak detection system for compliance monitoring.

Public Comments

Public comments are invited any time prior to **Friday, March 27, 2009**. Written comments may be directed to the Division of Water Quality, P.O. Box 144870, Salt Lake City, UT 84114-4870. All comments received prior to close of business **Friday, March 27, 2009**, will be considered in the formulation of final determinations to be imposed on the permit. A public hearing may be held if written requests are received within the first 15 days of this public comment period that demonstrate significant public interest and substantive issues exist to warrant holding a hearing.
